

# November 2016

## Next steps

# Fall Institute Demographics

**Registrant/Attendance Goals and Actual**

*Registrant and Attendee data indicate goals were met and surpassed. (Goals were determined at calculating 6 attendees per district x 7 districts).*

**Overall Satisfaction Goal and Actual**

*Overall satisfaction data indicate 89% were satisfied/very satisfied, exceeding the goal of 80%.*

**Q1: Select the primary position you represent in attending the above institute.**

*Q1 data indicate teams included various roles, as was required in cohort team definition (includes all responses).*

**Q2: What is your district?**

*Q2 data indicate all cohort districts (7/7, 100%) participated with a minimum of 2 participants per district met by all district team (includes all responses).*

# Fall Institute: Whole Group

---

- Presentations and Break out sessions on
  - Leading Change
  - Understanding Idaho's Comprehensive Literacy Plan
  - Using data at the district and school level

# Fall Institute Knowledge

*Q3-Q5 data indicate consistent response trends in agreement, with Q3 a slightly higher agreement rate. Q6, Q8, Q10 indicate that all three major objectives of the institute: Leadership, Literacy and Data use had knowledge increased among participants, with a slightly higher increase in knowledge for Leadership.*

# Fall Institute: District Team

---

- Work with district team to prioritize
  - Improved Literacy Practices Checklist
  - Improved Data Practices checklists
- Complete the Fidelity of Implementation Rubric

# Fidelity of Implementation Rubric

- Leadership
- Fidelity in Planning
- Collaboration
- Literacy
- Inclusive Practices
- Continuous Improvement
- Family and Community

# SEAP Workgroup Activity:

## *Going Undercover.....*

---

Contracted to visit Elementary School, posing  
as a parent of potential new student

Listen and Look for the IDEAL inclusive practices:

- You can talk to anyone (principal, supt., lunch room monitor, teachers)
- You can walk anywhere (classrooms, office, gym)
- What would staff SAY and DO in a perfect school?

# Activity: Create a Resource

---

- School Culture Communicated
- Professional Development – Inclusion Practices
- Professional Development – Specific Strategies
- Inclusive Supports for Students with Disabilities

# Activity: Create a Resource

---

- Record on worksheet or any format that works
- Identify resources we might use:
  - Websites/books/resources
  - People who have expertise
  - Trainings we might leverage for information
  - Sites that have exemplary programs/practices
  - YOUR expertise – are you willing to work on development, be part of modules?

# Help Us Improve

---

Complete a short 4-Questions survey on:

1. Invisible Disabilities Training (Idaho SESTA staff) – 1 question.
2. State Systemic Improvement Update and Workgroup session – 3 questions.
